SAN FRANCISCO WILL BE READY

There is no question that from the point of view of local arrangements, San Francisco will set a new high-water mark for the meetings of the National Conference of Social Work, when its members gather there for the sessions, June 26 through July 3. All of the necessary sub-committees are now organized under the direction of the following chairmen who may all be addressed at San Francisco:

San Francisco Advisory Council—Dr. Ray Lyman Wilbur, President Stanford University.

Executive Committee—J. C. Astredo, 150 Otis St.

Executive Secretary, Anita Eldridge, 55 New Montgomery St.

Consultation Booths and Exhibits, Ray W. Smith, 20 Second St.

Cooperation, Mrs. L. Langstroth, 3221 Washington St., and Laura McKeen, Y. W. C. A., 1860 Washington St.

Entertainment, Mrs. M. C. Sloss, 1830 Jackson St.

Meeting Places, Valerie Sarra, Community Chest, 20 Second St.

Luncheon and Dinners, Julia George, 995 Market St.

Headquarters, R. R. Perkins, Y. M. C. A., 220 Golden Gate Ave.

Publicity, Louise K. Bray, 150 Otis St.

Membership and Attendance, C. M. Wollenberg, Laguna Honda Home.

Registration, Eleanor Stockton, Health Department, 1085 Mission St.

The San Francisco Committee has applied itself to the task of developing a large and representative attendance from the Western States. State cooperating committees have been set up in each of these states and definite work is now under way to carry to each social worker and board member throughout that territory the information concerning the Conference and the advantage of being present. In addition they are cooperating with the Conference in building up the participating membership in the Conference from those states.

All California is noted for its royal hospitality and the Conference will experience a welcome which will reflect the spirit of California and will be long remembered. There is a saying that "San Francisco knows how" and present indications are that it will live up to its reputation next June.

The Conference meets in San Francisco for the first time in forty years and for the fourth time on the Pacific Coast in its history of fifty-six years. Since its last meeting on the Pacific Coast in 1913 at Seattle, social work has developed rapidly and extensively throughout the entire Pacific Coast region. There have been developed a number of interesting experiments which will be of interest and value to the entire membership of the Conference. Social workers on the Coast are anxious to learn of what is new and successful in other sections of the country. The meeting in San Francisco promises to be an unusual bringing together of interests and ideas.

The meetings of the Conference at San Francisco and the dates set will enable delegates from other sections of the country to arrange their vacations to either precede or follow the Conference. The Grand Canyon, the Yosemite, Glacier National Park, Yellowstone, are all so situated that trips can easily be planned in connection with the Conference.

Through the special Survey train and special trains and cars that will probably be organized in other cities, an unusual opportunity will be given for a pleasant trip out to the Conference. Once there and the serious work of the Conference over, trips back may be arranged over a large number of routes.

Inasmuch as the summer tourist rates which are available at the time of the Conference from every section of the country to San Francisco are cheaper than the usual convention rates, no railroad certificates will be used this year. It will be possible to secure round trip tickets enabling the delegates to go by one route and return by another with liberal stop-over privileges wherever they desire.

San Francisco itself is one of the most interesting cities in which the Conference has met in recent years. Traces of its early romantic history are still visible. The China Town section is of great interest. As a gateway to the Orient, it has social currents flowing through it that will intrigue the interest and thought of social workers from all over the country. Now is the time to begin planning to attend. The Conference this year at San Francisco offers such an unusual opportunity that every social worker that can possibly plan to go will want to do so.

CONFERENCE HEADQUARTERS

Arrangements have been completed to have Conference Headquarters at the Civic Auditorium in San Francisco. The evening general sessions, most of the Division meetings, and many of the Kindred Groups meetings, will be held in this one building. The Central High School of Commerce a block and a half away from the Auditorium will take care of meetings that can not be adequately housed in the Civic Auditorium.

The Civic Auditorium at the Civic Center of San Francisco overlooks a beautiful plaza banked by the City Hall, the Library, and the State office building. The hotel district where most of the delegates will live during the Conference is from ten to fifteen minutes walk from the Civic Center with street car transportation in every case.

The Hotel Headquarters for the National Conference of Social Work will be at the Hotel St. Francis. Various Kindred Groups will have their headquarters at nearby hotels. So far hotel headquarters for Kindred groups have been arranged as follows:

American Association of Social Workers, Hotel St. Francis.

Child Welfare League of America, Hotel Clift.

American Association for Organizing Family Social Work, Fairmont Hotel.

National Conference of Social Service of the Protestant Episcopal Church, Hotel Whitcomb.

Other assignments of hotel headquarters for Kindred Groups will be announced in the February Bulletin.

COMMITTEE APPOINTMENTS

Mrs. Irene Farnham Conrad of New Orleans has accepted the Chairmanship of the Committee on Nominations for the meeting of the National Conference of Social Work in San Francisco next June. Suggestions to be considered by the Nominating Committee should be forwarded directly to Mrs. Conrad at 40 Neron Place, New Orleans, Louisiana.

Miss Evadne Laptad of Lawrence, Kansas, and Father Lucey of Los Angeles, California, have been added to the Committee on Nominations.

IS YOUR ADDRESS RIGHT?

Will you please check the address and name on your Bulletin and let us know if it is not right? We are anxious to keep our records as accurate as possible. Tell us when you change your address.

IS YOUR FILE COMPLETE?

There is in the Conference office a supply of the Conference Proceedings for a number of years. They will be disposed of to people who wish to complete their files, in the order of application, at the following rate: Proceedings of 1927, \$2.50 a volume. Proceedings of all years prior to 1927, \$1.00. Postage charges will be added to the bill.

Those volumes available are for the years: 1884, 1887, 1889, 1890, 1891, 1892, 1893, 1894, 1895, 1896, 1897 Special, 1898, 1899, 1900, 1901, 1902, 1904, 1905, 1906, 1907, 1908, 1911, 1912, 1921, 1922, 1923, 1925, 1926, 1927.

A complete file of the Proceedings of the Conference, particularly for the last twenty-five years, furnishes a worthwhile source book of information on social work and its development in the United States.

SPECIAL COMMITTEES AT WORK

By action of the Executive Committee of the National Conference of Social Work the following special committees have been appointed and are at work on their respective tasks:

A. A Committee on the Proceedings.

This committee consists of Mr. Porter R. Lee, President, Miss Joanna Colcord, Dr. Neva Deardorff, Mrs. Bertha Freeman Hooper and the secretary. The whole set-up of our present Proceedings is being examined and an effort made to discover ways and means of making the Proceedings of greater usefulness.

B. Committee on Program Building Machinery.

Mr. Rowland Haynes of Chicago, Chairman. This Committee authorized at the last meeting of the Executive Committee is examining our whole program building machinery with the hope of making definite recommendations that will enable the Conference to have a stronger and better program from year to year.

C. Committee on Kindred Groups and Consultation Service.

Mr. Owen R. Lovejoy of New York, Chairman. This Committee appointed at the last meeting of the Executive Committee is re-examining the whole question of the relation of Kindred Groups to the National Conference and vice versa. It is expected that they will be ready to make some report at the next meeting of the Conference in San Francisco.

PROGRAM PLANS:

The various committees responsible for programs of the Divisions and Kindred Groups have been at work for some months. Definite details as to subject matter will be published in the February Bulletin. However, it is evident now that emphasis will be given this year to new fact material, a further extension of group discussions, carefully arranged joint sessions, and some emphasis on material of particular interest and value to the delegates from the far west.

The California State Conference of Social Work which is one of the largest in the country, has planned to omit its regular meeting this year and is joining with the National Conference. The Program Committee of the National Conference has invited the California State Conference to be responsible for the program of one of the General Evening Sessions. They have plans under way to present a program of national interest and importance.

Following the plan used last year, there will be no General Session of the entire Conference on Monday evening, July 1st. This evening will be left open for the larger Kindred Groups to arrange important dinner meetings, so that they can carry through their program without the pressure of adjourning for a General Evening Session. This plan worked so successfully last year that it is being used again this year.

MISSING INFORMATION

Due to the rush of registration at Memphis, several persons were given temporary receipt slips for the payment of dues, and the proper duplicate was not retained for our records. Several cases have come to our attention lately, in which the member held a missing receipt number and we have been able to straighten out the matter, and send the Proceedings and Bulletin to those entitled to it.

Won't you help us, by notifying us if you, or anyone else, have not received the proper material? Send us your receipt number if you hold only a temporary slip, and have not yet received your membership card.

CONFERENCE MEMBERSHIP

The Conference is at present particularly interested not in merely increasing its membership, but in keeping within its ranks, those who have been members, and have perhaps attended a Conference. There seems to be a considerable proportion of Conference members, who belong "spasmodically". They pay their dues only when they attend the sessions. In between times the Conference must get along without their active support.

The National Conference of Social Work also has a large number of members who have belonged to the Conference for a number of years. It is their active and steady support which is largely responsible for the growth and influence of the organization. To grow to a greater usefulness in the future, the Conference must find ways and means of making its membership more stable, and to increase the number of organizations and individuals who will feel a real responsibility for its existence and usefulness.

You can help the Conference greatly by:

1. Making sure that your own membership and support of the organization is kept continuous.
2. Urging your associates who are not members of the Conference to join.

For hotel reservations, write to Raymond O. Hanson, San Francisco District Council of Boy Scouts, 704 Market Street, San Francisco, California, stating the hotel you wish or the amount you wish to pay or write directly to the hotel.

INVITATIONS FOR 1930 AND 1931

According to the action taken by the Conference at its meeting last year in Memphis, the Time and Place Committee will recommend to our next meeting in San Francisco, cities to entertain the Conference in 1930 and 1931. Cities contemplating issuing such invitations should get in touch with Mr. John F. Hall, Omaha Welfare Federation, 503 Hospe Building, Omaha, Nebraska, the Chairman

of the Time and Place Committee. Information concerning the requirements of the National Conference can be secured from the Conference office.

SPECIAL TRAINS

Groups of social workers expecting to attend the Conference are being encouraged to form special trains or cars so that they may travel to San Francisco together. The Conference will give all possible publicity to any such arrangements.

The Survey is organizing a special train which will leave New York at 6:20 p. m. on Tuesday, June 18th, and will arrive in San Francisco on Monday, June 24th at 8:00 a. m. via the Pennsylvania and Santa Fe Railroads.

Stops will be made at Philadelphia, Harrisburg, Pittsburgh, Orville, Ohio, (for Cleveland), Columbus, Chicago, Kansas City, Emporia, and Dodge City.

There will be a full day stop-over at the Grand Canyon and half a day at Santa Fe. Only a limited number can be accommodated. Write to the California '29 Club, care The Survey, 112 East 19th St., New York.
